TELEPHONE INTERVIEW SUMMARY

Examiner Fred Casca called the undersigned attorney today and asked whether the instant application had been abandoned. The undersigned said no, and explained that a timely reply to the last Office Action was submitted on 6 July 2007, and that an electronic acknowledgement receipt was returned by the Patent Office for that submission. Further, the undersigned explained that, using the Patent Office's online PAIR facilities, it appeared that the submission was recorded in the Image File Wrapper for the application, but for some unknown reason did not appear to be recorded in the Transaction History. The examiner stated that he had simply wanted to verify that Applicant had not (or was not abandoning) the case and that he would have the application re-docketed and fix whatever Patent Office mistake had led to the

appearance of abandonment, and call the undersigned back if Applicant needed to do anything else.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
